PROFESSIONAL SUMMARY

Music producer and mixing/mastering engineer from Italy, with experience delivering release-ready records for independent artists across different genres, from tracking through final master. Advanced proficiency in Logic Pro and Pro Tools, with hands-on studio recording, sound design, and executive production experience.

SKILLS

Production: Music Production, Executive Producing
Engineering: Mix & Master, Recording
Languages: English, Italian (Native), Spanish, French

DAWs: Logic Pro, Pro Tools (advanced)
Instruments: Guitar, Piano

EXPERIENCE

Executive Producer – Southpaw Saint, DeMarcus Quinn (Independent Album) *April 2026 – December 2026*
Orlando, FL

- Directed creative vision, tracklist sequencing, and sonic identity as executive producer of a 13-track debut album with independent artist DeMarcus Quinn.
- Produced and co-produced 6 album tracks, handling beat production, arrangement, and post-production in Logic Pro.
- Coordinated 4 producers and 3 featured vocalists across 13 tracks against a September 2026 recording deadline for a December 2026 release.

Music Producer – EULOGY, Aribear (Independent Album) *October 2025 – September 2026*
Winter Park, FL

- Produced, tracked, and mixed a 10-track album as sole producer and engineer, spanning pop, hip-hop, trap, Afrobeats, and electronic-influenced production.
- Brought lead single “Don’t Wanna Start Over” to commercial release, sequenced as the album’s opening track.
- Engineered all tracking and mix sessions across 10 songs, including a multi-artist collaboration featuring vocalist Gabriela Restrepo, and appeared as a guest artist on one song.

Composer – Corporate Brand Video (Freelance, Remote) *March 2026 – April 2026*
Milan, Italy

- Composed an original orchestral score for a corporate brand video commissioned by an Italian company, delivering the final master on deadline through 7 revision cycles over 4 months.
- Engineered a custom audio chain and handled composing, mixing, and mastering, delivering 2 finished WAV master options synced to final picture.
- Managed the engagement solo as sole composer and producer, coordinating with three client representatives across US and Italian time zones in English and Italian.
